## Quicksilver on the Web:

<http://qser.net/>

Deadline for submission of QUIPS material is the 25th of the month for 1st of month distribution. Exceptions made for late-breaking news and individual pre-arranged deadlines. Photos can be emailed or snail mailed. Word docs preferred for story material, but not a prerequisite.

## PRESIDENT'S MESSAGE

### The Ride Season is well under way!!!

Although I haven't had the opportunity to ride as much as I'd like, other QSER members are out there 'burning it up'!!! I'm sure we'd all love to hear about your best, funniest and most challenging rides so be sure to put them down in writing and share them in next months QUIPS. My biggest challenge is availability of time (unique, right?) - something about 'work getting in the way' but hopefully will be at Oakland Hills and Cooley Ranch.

We have quite a few important dates on the calendar (ok, besides all the wonderful rides). Here are a few:

**June 20th** - 6:00 p.m. start, Annual QSER Barbecue at Bob & Julie Suhr's, it's a potluck so bring your favorite food

**July 18th** - 6:00 p.m. start, Annual Wine Event at Barry & Carol Waites, also a potluck so bring another favorite recipe for everyone to try

**August 15th** - 6:00 p.m. welcome, monthly meeting will start at 6:30 p.m. at Sandy Holder's house in Gilroy (yes, I'll have wine and cheese & lots of goodies - bring some of your own if you'd like!). Finalizing details for our Fall event so please come.

**October 2nd** - Quicksilver Endurance Riders Annual Fall Classic at Grant Ranch Park, Ride Manager Steve Lenheim, Assistant RM's (Kathy, Darren, Jennifer & I think one other - sorry but my mind is going)

## ARE THESE ON YOUR CALENDAR???????

Hope to see you on the trail soon!!!

All the best,  
**Sandy**

**QUICKSILVER ENDURANCE RIDERS  
JUNE MEETING**

**Hot Dog ROAST and Pot Luck**

**Wednesday, June 20th - 6 p.m.**

Bob and Julie Suhr - 100 Marinera Road, Scotts Valley, CA  
831-335-5933

**GUEST SPEAKERS** will be **Michele Korpos**, an authority on mountain lion behavior,  
**Dave Johnston** from the Fish and Game Department and  
retired CDF game warden, **Henry Coletto**

Maryben attended a similar lecture at Calero and said it is a very informative presentation that should be heard by everyone who is outdoors in mountain lion territory.  
Understanding the problem is part of the solution.

**From the North:** Take Highway 17 thru Los Gatos toward Santa Cruz. 3 1/2 miles past the Summit, take Glenwood Cutoff to the right. (Do not take Glenwood Drive which is about 1 1/2 miles past the Summit.) Go about one mile on Glenwood Cutoff and turn left. Go 1 1/2 miles to a group of mailboxes in a kiosk on the right. This is Weston Road. If the gate is shut, go to access box by mailboxes and press #1734. (Be sure to push the pound (#) sign first.). Proceed up Weston Road exactly 2 1/4 miles to Marinera sign and driveway going up to the right.

**From the South:** From Santa Cruz take Highway 17 north toward Los Gatos. Go six or seven miles to Glenwood Drive/Granite Creek exit. Follow Glenwood signs up and over the overpass to the start of Glenwood Drive to the right of the Shell Station. Come up Glenwood exactly 2 1/2 miles to kiosk of mailboxes on the left. This is Weston Road. If the gate is shut go to access box by mailboxes and press #1734 (Be sure to push the pound (#) sign first.). Proceed up Weston Road exactly 2 1/4 miles to Marinera sign and driveway going to the right.

**Do not rely on Mapquest to get here. If you do, you will be missed.**

Because this function will be outdoors, please bring a jacket and all of the question you've always wanted to know but were too afraid to ask. There will be soft drinks and coffee for everyone.  
If you want something else, please bring it with you. Horse carrots always appreciated.

***Guests are welcome!***

**YOUR PETS MAY BENEFIT FROM A TRUST SET UP FOR YOUR PET'S CARE**

*The following excerpt is reprinted from the Almaden Times Weekly.*

A question posed in the "Ask The Lawyer" column concerns those with animals that need care after their owners have passed on. Donald J. DeVries, Attorney at Law offers the following:

California enacted Probate Code 15212 in 1991 entitled "Trust for Care of Designated Anima." It provides as follows: "A trust for the care of a designated domestic or pet animal may be performed by the trustee for the life of the animal, whether or not there is a beneficiary who can seek enforcement or termination of the trust and whether or not the terms of the trust contemplate a longer duration.

Several options include an informal arrangement where-

by a family member, neighbor or friend will care for the animal after you pass on. Kind of an honor system whereby you would provide funds for the animal's care after your passing. Another option is providing for the animal in your will but there are disadvantages. There is often delay and probate expense for wills and probate is often inflexible and it is open to the public. A third option is a separate pet trust with funds set aside for the care of the animal. The bigger the pet, obviously, the more money needs to be set aside. Make sure that you discuss the plan with the potential caretaker (sometimes others don't have quite the appreciation for the pet that we do.) And make sure the pet is properly identified so as to prevent fraud. Microchips are a good way to handle that.

## MEMBERSHIP NEWS

Thank you and the Quicksilver group for sending me a thinking-of-you card. It feels as if I am healing well. Pain and breaking adhesions have been mostly replaced with a dull, endless but mild ache. I've been able to cut way down on my pain meds. First doctor's appointment is next week. I expect to get a good report on how I'm progressing and what I need to work harder at.

I don't know when I'll get in the saddle again. Prudence dictates that the first time definitely be in the presence of others :)

I was reading the latest Quicksilver Quips...beautiful job, Jackie! I read the page of paid-up members and noticed you still have our OLD e-mail address listed. The current one is [bigcreekranch@wildblue.net](mailto:bigcreekranch@wildblue.net) (not cruzio.com) Please correct it so no one is left wondering why they can't reach us. Thanks.

My email address in the QS roster needs to be corrected. The university has dropped the "cats" part of the email, so it's [justlazo@ucsc.edu](mailto:justlazo@ucsc.edu) now.

## TRAIL DAY AT SANBORN COUNTY PARK

June 16th is a great Trail Day event at Sanborn County Park, working on the Skyline Trail with the Trail Center and Bay Area Ridge Trail Council. For more details about this event please visit [www.trailcenter.org](http://www.trailcenter.org) or [www.parkhere.org](http://www.parkhere.org).

## YOLANDA AND ROSE

I received this email from Yolanda Phelan who some of you will surely remember. She rode endurance, and during, I think, the triathlon a number of years ago, Rose just tripped and her leg was broken. Yolanda chose to save her, though she could ill afford it and Rose would never again be ridden. She traveled up to Davis to visit her whenever she could. When she moved to Hawaii, she took Rose with her and kept her for the rest of her life. Although Yolanda has lost her sight, she can read her email with special equipment. I have kept in touch with her for all these years and she is truly a remarkable person. – MB

*My Little Rolly Polly Rose has joined all the other great horses in their next life. She passed away due to cancer.*

*Rose went peacefully, she is buried in 8 acres of green pasture where she lived out her last 18 years of her life with a couple of other horses and most of those years she ruled in the pecking order. If you gave her a choice of carrots or a mango she would choose a mango. Rose was always the first one to hang around the mango tree waiting for one to drop.*

*I feel so empty and the decision to have her put down was not easy but I know that there is such a place as Rainbow Bridge and we will be together again. If it were not for Rose I would not have been blessed to know you and so many other wonderful people, God is Good.*

*Thank you, Rose.*

*Happy Trails, Yolanda*

## THE KIND OF HORSES I LIKE TO RIDE

by Harold Roy Miller

Owning certain kinds of horses can fill your heart with pride, but they're not necessarily the type I like to ride. Hot-blooded horses may be magnificent and beautiful, but my preference is for those that are docile and dutiful.

Whenever I see a horse galloping across a field, it's a joy to behold and I am totally thrilled. But when I'm the person riding at full speed ahead, I find I seriously start to wonder if perhaps I've lost my mind.

In my younger days I was wilder and bolder, but I am changing my tune now as I get a little bit older. I feel much more at ease on horses that are gentle than the fiery, spirited ones that are often temperamental.

Everyone loves a horse full of life and snorting loud, who struts back and forth, looking peacock proud. But when it comes to riding this horse that looks so doggone fancy, you'll find yourself wishing that he wasn't quite as prancey.

I have had my share of riding wrecks over the years and conquered most of the greenhorn's equine fears. But wisdom comes from experience, it just can't be denied, and the horses I love to watch are not the ones I ride!

## NEW TRAIL AT RANCHO CANADA DEL ORO

On Saturday June 2, National Trail Days, two new trails were opened at Rancho Canada del Oro Open Space Preserve: the Llagas Creek Loop Trail, a one-half mile whole access trail and the multuse Mayfair Ranch Trail. The Mayfair trail adds a nice 4-plus-mile loop from the Casa Loma staging area. This trail is pretty new so the first mile or so was dusty which was hard on the hikers and mtn. bikers and not all that great for horseback riders either. That part has a lot of switchbacks and occasionally the line of sight is not good so mtn bikers and equestrians need to be cautious. The trail is very well constructed and brushed and has several sturdy bridges over drainages.

Quicksilver members Marvin Snowbarger and Judy Etheridge plus six more equestrians enjoyed the new trails. When we got back we visited with Carolyn Tucker who was horseless that day. Ranger Doug Reynaud told us that more trails are planned.

# 100 Mile 6-Day East Bay Hills Trail Ride To Benefit Bay Area Trails Wednesday, Aug. 29-Monday, Sept. 3

Ride Labor Day week with members of the Tilden-Wildcat Horsemen's Association and the Metropolitan Horsemen's Association in the East Bay Hills. Ride up to 100 miles in 6 days, or 14-18 miles each day in small groups at your own pace. Join us for one, for more or for all 6 days. The ride will follow and/or parallel the S.F. Bay Area Ridge Trail much of the first 3 days, and then move to Mt. Diablo for the final 2 days. . We will spend 2 days riding from each of 3 different campsites.

Trails and Camps: Camp opens in Tilden Regional Park Tuesday, the day before the ride. On Wednesday enjoy sweeping Bay Area views from the trails in Tilden and Wilcat Parks. On Thursday we will follow the Bay Area Ridge Trail from Tilden through Sibley, Huckleberry, and Redwood Regional Parks and EBMUD Watershed, followed by a scenic ride in Joaquin Miller Park, where we will camp on Thursday and Friday nights at Sequoia Arena. Friday's ride will pass through Redwood Park to Canyon on the way to Upper San Leandro Reservoir. Saturday's ride will include all of the French Trail in Redwood Park. Saturday afternoon we will move to Mt Diablo and camp at the Concord-Mt. Diablo Trail Ride Association's grounds. On Sunday and Monday we will be riding on Mt. Diablo.

#### Food and Evening Entertainment:

Breakfast, lunch and dinner will be provided for riders and campers, and hay, carrots and water for the horses. Swimming and showers will be available at Tilden and at Mt. Diablo. Evening programs will include a visit to the Chabot Space Observatory (5 minutes from Sequoia Arena), a harp concert, and/or trail updates, naturalist talks, a veterinary presentation, cowboy music and dancing, cowboy poetry and a drill team.

Costs/Benefits: This ride will help raise funds for the Bay Area Ridge Trail and for equestrian improvements on East Bay trails. The Bay Area Barns and Trails Trust will match the first \$5,000 raised for the trails. The cost will be \$60/day, with a discount for 6 days at \$325. This fee includes camping, food and horse provisions. For visitors, dinner in camp will be \$15/night. We also have an optional program allowing riders to solicit pledges from friends, neighbors and other trail supporters to benefit the Bay Area Ridge Trail and other East Bay trails.

Volunteers: If you can't ride, join us in supporting the East Bay Parks and the Ridge Trail by volunteering to help with any of a range of important tasks that will make this ride happen.

Camp Rules: Dogs under control are allowed in camp but not on the trail rides. Riders will be responsible for stabling their horses at each camping area. You may tie to your trailer or bring your own portable corral or picket line. Stallions will not be allowed on this ride and we will enforce restrictions on generators after dark. Helmets are strongly suggested for all riders.

Reserve Your Space Now: before we fill up. We are limited by the available space for trailer parking, and last year we ran out of space. Use the entry form on the reverse of this flyer. If space permits, we will accept last minute entries, particularly for the last few days..

Questions: Contact Morris Older, at 925-254-8943 or at [ebhillsride@comcast.net](mailto:ebhillsride@comcast.net), or Martha Mikesell at 925-833-9279 or at [martha.mikesell@sbcglobal.net](mailto:martha.mikesell@sbcglobal.net) if you would like to volunteer or have any questions about this ride. ## HORSES FOR SALE

**PROVEN ENDURANCE HORSE FOR SALE:** Shah Anahata AJ (Hank) (AERC: H32488) is conditioned and ready now for an experienced competitor! Hank is a huge boned, gorgeous, 11 year (DOB 02.19.96) old grey gelding, 15.3+ hand, 1125# (Bey Shah x Khemosabi). He was started slow, but hasn't willingly embraced the concept. He is very competitive, aggressive, and is 100% about going down the trail, fast. He is an unflappable, very confident, no spook, handy horse. He has extensive experience being ridden at night, encountering wildlife, beach/deep sand, desert, sierras, single track trails, and on both paved and unpaved roads. He travels very well, always EDPP in the trailer. He was shown thus picks up his leads and is round in the bridle. Sadly, he is too big and large gaited for my 5'3. 140# frame and has no interest in stopping for photos or smelling the flowers during rides as I do. This guy has serious FEI potential for the serious competitor. \$7500 with negotiable terms. Serious inquiries only, please: Cynthia (707)964.4184; (707)496.1020 or cledoux@cwo.com.
